May the D.G Cmr be enquired as to whether he may not be paid the sum due to him in the light of the above circumstances if he agrees in the above views to submit a bill for the Amt due to him for sanction as early as possible?

It is further to be considered whether he may not be allowed to live in the house which he has constructed at so much cost, if that were possible.

Yes. Swayamsahayam is such a vague term. Further if payment is put off indefinitely it will discourage other people from coming forward to build houses

Sumanti Anantakrishna ~~Iyer~~ the first individual who came forward to build a house on the selected site. The house is fairly well constructed and will have cost about Rs 1000. On his application for payment of the arrears due, the Rs commr thinks that it should not be paid as the house is not permanently inhabited. I am afraid that this would tend to discourage the others. The Agraharam site is high and dry and if there should be adequate water conveniences, the locality being near the station and public offices and temples will get the population. More houses will have however to spring up and this should be encouraged. I find the Anantakrishna Iyer has that he must make 'pucca' arrangements within the next 2 or 3 years for the permanent habitation in pain after which time being attached

Sir,

With reference to your letter No: 3015 muz 203-0-6 dated 25th April 1914 forwarding the petition of Sumali Anantachar one of the vritti-dars of Nowl Krishnadoss charities at Paschi-mavahini praying for the payment of the arrears of vritti amount due to him, I have the honour to state that the Amildar reports that a house has been built by one Mulya Anniahchar in the Nowl Krishnadoss agrahar; that it is not known what relation the petitioner bears to that Anniahchar & that

that

Nobody is living in this house though built long ago. Thus it will be seen that no arrangements by the accupation of the agrahar house &c have been made for the ಶಾಸನ ಪತ್ರ of the original founder of these Charities.

The Sub Division officer is of openion that the arrears of the Vritti amount due to the petitioner should not be disbursed until proper arrangements are made to live in the house and I agree with him.

The correspondence ending with Branch Rocky Sub Div Office ques No 1056 of 12-5-14 accompanies
